

TRAVOY TOURS AND TRAVELS

GENERAL

At TRAVOY TOURS AND TRAVELS, We understand that our Independent Marketing Associate (IMA's) is an important part of our business. We have created a simple way to earn commissions, team building bonuses and rewards earning platform. Not every person who chooses to purchase the Entry package will choose to be an IMA. This plan is built to reward those that do:

The first step in becoming a successful IMA is to select the TRAVOY Tour Product that you are most comfortable with. There are no purchase requirements to earn the commissions. However, it is much easier to sell/refer a TRAVOY Tour System that you have experienced for yourself. These TRAVOY Tour Products are described here <http://www.travoytrekk.com>. IMA's earn commissions by selling TRAVOY tour products to persons around the world that they refer. IMA's that build teams of other IMA's that refer Tour product sales will earn bonuses. There are several rewards that are given to successful IMA's. This document will give you the details of the TRAVOY Compensation Plan (TCP) and essential rules for implementation of the TCP.
